

Infinity Start System

Infinity Start System with wired microphone

The Infinity Start System makes an excellent entry-level start system, and is a great choice for smaller pools and recreation centers.

Features

- The Infinity Start System is an economical, easy-to-use start system.
- Strobe and speaker are built into the lightweight unit for easy portability.
- The Infinity provides your swimmers with a fair and audible horn start.
- A highly visible strobe light automatically flashes as the horn sounds, providing fair starts to hearing-impaired athletes.
- The microphone has a false start recall feature that enables the starter to signal a false start and immediately alert the competitors.

At Colorado Time Systems, we back every product with over 30 years of accuracy, reliability, innovation and expertise. Contact us today and we'll evaluate your needs and help you select the system that is right for you.

Infinity Start System Specifications

General	<p>The Infinity Start System consists of a start module with handle for easy portability, 40-watt corrosion resistant speaker, wired microphone with start button, internal gel-cell battery, and 115V charging capability (240V available).</p> <p>A secondary 40-watt speaker can be added to the Infinity Start System.</p>
Dimensions (h x w x d)	8.9" x 15" x 6.9" (22.6cm x 38.1cm x 17.5cm)
Weight	Weight: 12 lbs. (5.4kg)
Mounting	Tripod attachment is standard. Tripod is sold separately.
Speaker	Internal moisture- and corrosion-resistant 40-watt reflex speaker is used. An additional 40-watt speaker is available for far lanes.
Strobe Light	Bright, eye-catching strobe light automatically flashes simultaneously as horn sounds. This gives watch timers and officials a reliable starting reference.
Battery Power	Safe, reliable internal gel-cell battery with built-in charging indicators and charger. For safety purposes the unit will not operate while charging. Optional secondary gel-cell battery and recharger are available.
Versatile	Interfaces with other CTS aquatic systems. Normally closed interface is available upon request.
Warranty	Two-year limited warranty included, longer terms available.
